Profile

Results-driven Front-End Developer with over 6 years of experience specializing in React and Next.js. I have a proven ability to deliver high-quality, modern, and user-friendly interfaces, with a track record of successfully completing over 15 diverse projects. Eager to contribute to dynamic teams and build scalable web applications.

Professional Experience

Freelance Web Developer 06/2025 – Present
- Developed full-stack applications using JavaScript and React, with back-end functionalities powered by Supabase.
- Engaged in self-driven, portfolio-oriented projects, expanding into Next.js capabilities.

Frontend Developer 04/2025 – 05/2025
Roshan 🔗 Tehran, Iran
- Collaborated on the "Ava" front-end project by implementing robust API integration to fetch and display data.
- Built responsive UI components using HTML, CSS, JavaScript, React, and Redux for state management.

Freelance Web Developer 06/2019 – 04/2025
- Designed and developed various websites as a freelancer, focusing on JavaScript and C#.

Content Writer 01/2023 – 02/2023
York Building Materials Inc. 🔗 Toronto, Canada
- Created SEO-optimized content for Canadian companies to enhance brand awareness and customer engagement.

English Language Teacher 10/2018 – 09/2019
Parsian Farhang 🔗 Karaj, Iran
One year as English teacher for beginner and intermediate students.
